ABOUT KAPPA ALPHA PSI FRATERNITY, INC.

Kappa Alpha Psi a college Fraternity, now comprised of functioning Undergraduate and Alumni Chapters on major campuses and in cities throughout the country, is the crystallization of a dream. It is the beautiful realization of a vision shared commonly by the late Revered Founders: Elder Watson Diggs; John Milton Lee; Byron K. Armstrong; Guy Levis Grant; Ezra D. Alexander; Henry T. Asher; Marcus P. Blakemore; Paul W. Caine; Edward G. Irvin and George W. Edmonds.

Founded on the night of January 5, 1911 on the campus of Indiana University at Bloomington, Indiana to sow the seed of a fraternal tree whose fruit is available to, and now enjoyed by college men everywhere; regardless of their color, religion or national origin. The Constitution of Kappa Alpha Psi is predicated upon, and dedicated to, the principles of achievement through a truly democratic Fraternity.

GUIDE RIGHT HISTORY

Guide Right is the national service program of Kappa Alpha Psi Fraternity, Inc. conceived by Leon W. Stewart in 1922.

The purpose of the Guide Right program is to place the training experience and life lessons of successful men at the disposal of youth for educational and occupational guidance; primarily inspirational and informational in character.

The Kappa League organization is incorporated in many cities throughout the United States under the leadership of the local Alumni chapters of Kappa Alpha Psi. The program reaches out to young African-American males in the community as a means of developing future leaders of tomorrow.

Our purposes are accomplished through impeccable social and business skills, employment abilities, time management and leadership skills, financial responsibility and a positive self image resting upon sound ethics and values.
